SUBJECT No. 318.

Arrangement of the Chairs in the two Colleges.

Messrs. M. Venkatakrishnaiya, Madappa and N. Srikantaiya, Mysore City Municipality.

Summary of discussion.—Chairs for the teaching of Physics, Chemistry, Geology and other Sciences may be opened in the Bangalore Central College and Chairs for Mathematics, Philosophy, History and Languages in Mysore. The Chairs may be equally distributed so that one College may not have more Chairs than the other.

Reply of Government.—Noted.

SUBJECT No. 319.

A building for the school at Krishnarajpete.

Messrs. Krishna Sastri and Somasetti, Krishnarajpete Taluk.

Summary of discussion.—A suitable building for locating the school at Krishnarajpete may be constructed early. The subject is being urged for a long time. A contribution of Rs. 1,000 has been collected.

Reply of Government.—Will be sanctioned if the contribution is first collected.

SUBJECT No. 320.

Extension of Mahomedan Students' Home at Mysore.

Mr. Moulvi Dervish Peer, Anjuman-i- Himayath Islam, Mysore.

Summary of discussion.—The present Mahomedan Students' Home in Mysore is quite inadequate for the accommodation of the students; it may be extended.

Reply of Government.—Noted.

SUBJECT No. 321.

Anglo-Vernacular and girls' schools at Seringapatam.

Messrs. Veene Rangaswami Iyengar and K. Krishnachar, Seringapatam Taluk.

Summary of discussion.—Much inconvenience is caused to the pupils of the Anglo-Vernacular and the girls' schools at Seringapatam for want of compound walls and latrines. When this subject was moved in 1907, the Government referred the matter to the Inspector-General of Education, but nothing has been done up to date. Solicit early orders.

Reply of Government.—Noted. Will be expedited.

SUBJECT No. 322.

The channels from the Suvarnavati river.

Mr. Venkatasamiah, Chamrajnagar Taluk.

Summary of discussion.—The Suvarnavati is a jungle stream. About four or five channels have been drawn therefrom but have not been provided with sluices; consequently the water in the *nalas* overflows the banks during floods and the *nalas* get silted up. It is therefore requested that a dam and sluices be constructed so as to prevent the *nalas* overflowing.

Reply of Government.—Will be referred to the Chief Engineer for investigation.

SUBJECT No. 323.

Repairs to tanks

Mr. Gundappa, Nagamangala Taluk.

Summary of discussion.—The following works may be taken up:—

(1) Repairs of the Hiduva and the Bettadakote tanks and the Veeravaishnava river anikat.

(2) Raising the bund of the Dadaga tank.

(3) Repairs of the Bindenahalli anikat.

Reply of Government.—Will be taken up when funds are available.
